## Hi, Slackbot here!

You can ask me simple questions about how Slack works, or just type a few keywords. For example: **Can I edit a message I've posted?** Or simply: **edit message**.

I'm only a bot, but I'll do my best to answer! If I don't understand, I'll search the [Help Center](#).

Hello, I'm Slackbot. I try to be helpful. (But I'm still just a bot. Sorry!) Type **something** to get started. Just below this message is a text input field for you to type in. Try it out. 📌
